PROFESSIONAL SUMMARY

Highly analytical and security-focused IT Professional with a strong background in fraud investigation, risk mitigation, and cybersecurity principles, holding certifications in **Cybersecurity** and **Networking**. Eager to leverage robust troubleshooting, data analysis, and collaborative skills to excel in **Microsoft Intune Administration**, **Windows Autopilot Management**, and **SCCM OSD**. Committed to ensuring secure and efficient endpoint management, compliance, and automated deployment across diverse operating systems.

PROFESSIONAL EXPERIENCE

Amazon India

Jun 2020 – Oct 2025

Investigation Specialist

- Investigated suspicious account activities and anomalies to proactively identify potential **fraud**, abuse, and **security-related risks**, safeguarding platform integrity.
- Analyzed complex account behavior, transactional data, and activity patterns to support in-depth investigations and perform **root cause analysis**.
- Maintained meticulous case documentation, evidence records, and **audit-compliant** investigation reports, ensuring transparency and accountability.
- Collaborated effectively with cross-functional teams to resolve high-risk cases and enhance operational **risk controls** and **compliance** measures.

Frist principle ventures LLC

Oct 2018 – Mar 2020

Front-End web developer

- Developed and maintained user-facing features using **HTML**, **CSS**, and **JavaScript**, ensuring responsive and intuitive web interfaces.
- Collaborated with design and backend teams to integrate front-end components with server-side logic, optimizing user experience.
- Implemented clean and efficient code, contributing to the overall performance and maintainability of web applications.
